

# Removing Core Data Integration by Mocking It

---

## MODULE INTRODUCTION

**Brett Romero**

FOUNDER

@bitesizebschool [www.bitesizebschool.com](http://www.bitesizebschool.com)

# Module Introduction

**Conceptual Overview of Mocking  
CoreData**

**Demo: Creating DataStoreProtocol and  
ArrayDataStore**

**Demo: Creating CoreDataStore**

**Demo: Integration of DataStoreProtocol  
instances**

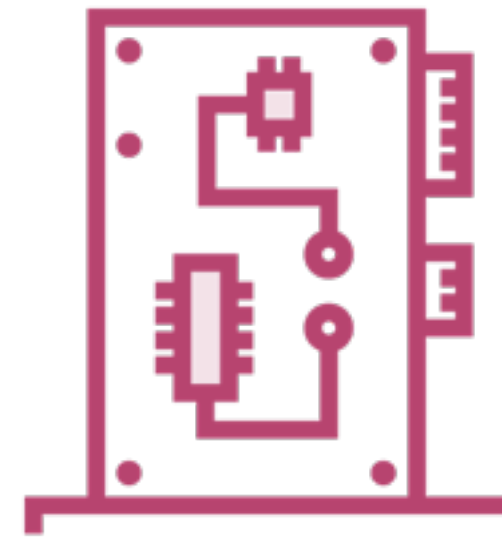

**Demo: Testing the DataStore Mock**

**Summary**

# Conceptual Overview of Mocking Core Data

**InventoryManager**

**DataStoreProtocol**

**CoreDataStore**

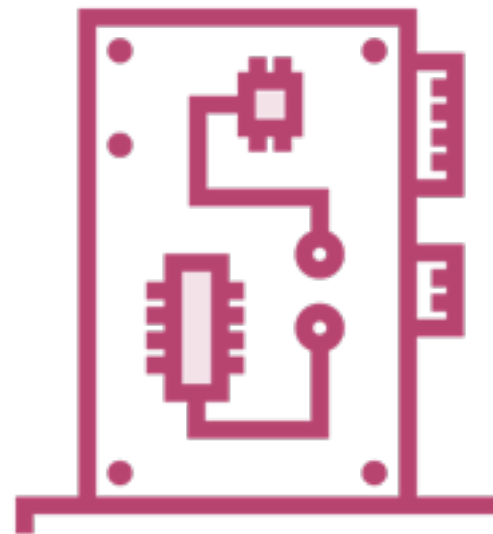

**ArrayDataStore**

# Context Switching

~~UserDefaults~~ **UserDefaults** ~~UserDefaults~~ )

**DataStoreProtocol**

**CoreDataStore**

**ArrayDataStore**

Demo

**Creating DataStoreProtocol and  
ArrayDataStore**

Demo

**Creating CoreDataStore**

Demo

**Integration of DataStoreProtocol  
instances**

Demo

**Testing the DataStore Mock**

# Summary

**Mock Core Data through a protocol**

**Demo: Create protocol, create array store, create Core Data store**

**Test context switching of mock**
